

You're Buying a HOME!

WHAT TO EXPECT

Knowing what's ahead will help make your journey to new home ownership an exciting and enjoyable experience. The roadmap to your new home has three main segments:

- Pre-construction
- Construction
- Post-construction

You aren't in this alone, we'll guide you along the path and meet with you along the way.

PRE-CONSTRUCTION

1. Arrange Your Loan (ask about our preferred lenders)
2. Choose Your Lot, Home Plan, Elevation, & Structural Options
3. Meet In Our Design Center to Complete Your Selections
4. Sign Your Purchase and Sales Agreement & Pay Your Deposit
5. Your Plans Are Reviewed & Submitted for Permit
6. Meet Your Project Manager for a Pre-Construction Consultation
